Acknowledgements:

With thanks to my friends and other yachtmen, I have managed to put this shopping guide together.

The locations of the shops annotated with lower case alphabet are not guaranteed. The location will be in the general area. Should you find any information incorrect I would appreciate the correct address and name of the shops. There are many more suppliers of the items listed, however I do not have all their address. Your help will be appreciated.

Additional information welcome. Contact Rory Larkan @ Ph. 2987 0505 Fax. 2987 0552,
