SUMMARY

I'm a knowledgeable mariner looking to gain more blue-water sea miles under sail. I'm interested in crewing for long deliveries, trans-ocean voyages, or high latitude adventures sometime in early 2012, without pay. I can take orders, help with voyage planning and navigation, stand watch, and maintain a very enthusiastic personality.

EXPERIENCE AS CREW

Yacht Racing Association of San Francisco: Santana 35', J105

Racing Crew, cockpit

Bay Races, Farallones Offshore Race
