SAILING TEAM

Fabio and Linda are your Crew:

both Italians, him from Emilia Romagna, 43 years old and her from Salento, Puglia 31 years old, working together since 2011 and being a solid couple for three years.

Fabio cultivates his passion for sailing for more than 10 years. Professional skipper, during his experience has carried out several crossings in the Atlantic Ocean. He loves to share with the guests his knowledge of the art of living the sea for which nourishes deep respect and inexhaustible passion. Simple person, of sound principles. Among his working experiences he counts various jobs in the field of sport / wellness, diving guide, ski guide, and swimming instructor. However he is keen to stress that it is not a fanatic, juggles in the kitchen with some delight accompanied by a good and fresh cocktail.

Linda discovered her passion for sailing attending Fabio. Native of Salento, beautiful land with great culinary tradition, she rediscovered her passion for cooking that perfectly melts with maritime life. She is a pursuer, degree in Political Science, sociable person, absolutely discreet and solar. Kids love her, she has excellent communication skills and is a genuine mediator, with her a positive solution will always be a guarantee.

Your crew will be on board to accompany you with discretion and professionalism in your pleasant and exclusive cruise..
