

Service intervals

As the VIKING liferafts of type UKL / UKSL / UKCL are used in different areas with different service intervals, it is necessary to clarify this.

Liferaft type	Service interval
ISO 9650-1	3 years
ISO 9650-2	3 years
Spanish approved	1 year
UKL Fishing (Non ISO)	1 year
Fishing (Norway)	2 years
Fishing CR30 (Denmark + Norway)	2 years
South Africa approved	1 year
Croatia	2 years
Russia (RRR)	1 year
Denmark U/20 % CR 30	2 years

Above mentioned service intervals must be stated on the container registration label.
