

## YANMAR

1GM10: For our Stage One PREMIER alternator. Includes 6" crank pulley, 2.4" alternator pulley and two belts.(engines without closed cooling, must remove the hand crank option)	6-25121	\$649.00
2QM15 For our Stage One PREMIER alternator. Includes 6" crank pulley, 2.4" alternator pulley and two belts.(engines without closed cooling, must remove the hand crank option)	6-25125	\$649.00
3GM30 For our Stage One PREMIER alternator. Includes 6" crank pulley, 2.4" alternator pulley and two belts. (engines without closed cooling, must remove the hand crank option)	6-25129	\$649.00
3YM30 For our Stage One PREMIER alternator. Includes 6" crank pulley, 5.5" water pump pulley, 2.4" alternator pulley and two belts.	6-25133	\$799.00
3YM30 For our Stage Two LARGE FRAME J-180 alternator. Includes 6" crank pulley, 5.5" water pump pulley, 2.4" alternator pulley, a new engine mount bracket, a new lower adjustment bracket, and two belts.	6-25135	\$1,249.00
3JH4 For our Stage One PREMIER alternator. Includes 7" crank pulley, 6" water pump pulley, idler plate and idler, 2.4" alternator pulley and two belts.	6-25139	\$749.00
3JH5 For our Stage One PREMIER alternator. Includes 7" crank pulley, 6" water pump pulley, idler plate and idler, 2.4" alternator pulley and two belts.	6-25151	\$949.00
3JH5 for our J-180 mount alternator. Includes 7" crank pulley, 6" water pump pulley, idler plate and idler, 2.4" alternator pulley, upper adjustment bracket, alternator mounting bushings, and two belts.	6-25177	\$1,199.00
4JH2 For our Stage One PREMIER alternator. Includes 7" crank pulley, 6" water pump pulley, idler plate and idler, 2.4" alternator pulley and two belts.	6-25179	\$949.00
4JH2 Dual Alternator kit. Uses two of our Stage One PREMIER alternators. Includes 7" crank pulley, 6" water pump pulley, a second alternator mounting plate, 2 of our 2.4" alternator pulleys and two belts	6-25180	\$1,049.00
4JH4 For our Stage One PREMIER alternator. Includes 7" crank pulley, 6" water pump pulley, idler plate and idler, 2.4" alternator pulley and two belts.	6-25183	\$949.00
4JH4 Dual Alternator kit. Uses two of our Stage One PREMIER alternators. Includes 7" crank pulley, 6" water pump pulley, a second alternator mounting plate, 2 of our 2.4" alternator pulleys and two belts.	6-25184	\$1,049.00
4JH4 for our J-180 mount alternator. Includes 7" crank pulley, 6" water pump pulley, idler plate and idler, 2.4" alternator pulley, upper adjustment bracket, alternator mounting bushings, and two belts.	6-25191	\$1,199.00
4JH5 for our J-180 mount alternator. Includes 7" crank pulley, 6" water
